

We built a new network to bring your business back.

Sprint has assembled an all-new network from the ground up, including an enhanced 3G network. We're also expanding our 4G LTE network to offer faster data speeds in more places.

With these improvements your business should experience:

- Stronger signal around town and indoors
- Faster downloads
- 4G LTE speeds up to 10 times faster than 3G
- LTE network capability enhancements with Sprint Spark™ on capable devices
- Clearer, fuller voice calls with HD™ Voice on enabled phones

Enjoy our special offers when you switch back to Sprint.

We'd like to thank you for bringing your business back by offering a service credit for every business line you switch to Sprint.

Smartphone lines

\$150

in service credit for each eligible smartphone line switched from another carrier to Sprint.

May req. new 2-yr agmt/activation per line.

Visit sprintportcredit.com within 72 hours of port-in activation to request your service credit.

The 60 day guarantee

We are so confident in our improved network that if after 60 days you aren't 100% satisfied with your service, you can simply return your device and Sprint will:

- Refund the device purchase price
- Waive the Early Termination Fee
- Deactivate your service

The Sprint Satisfaction Guarantee covers new lines of business and upgraded devices with the exception of machine-to-machine (M2M).
